Archlord History - The Chronicles of Chantra

Long ago, the Elementals infused their power into the very stones of the continent of Chantra, creating a land of magic and mystery whispered about in legends around the world. The most seductive story was that five of the gemstones --Archons-- bestowed unimaginable power upon their bearer. Adventurers from many lands sought to make this power their own -- including humans and Orcs from the western continent. But though they were in a new land, they brought their old racial hatreds with them.

Two heroes emerged in Chantra around the year 7 BD -- the human warrior Nathan and the Orc magician Walcure. Both set out on their own quest to find the Archons. Their paths crossed in the heat of the Windrill desert as they searched for ancient ruins. Their instinctive hatred gripped them and they launched into a fierce battle, magic against strength and steel, clashing for hours on end. But they were evenly matched, and finally they collapsed from exhaustion. Recognizing each other as formidable fighters, both worthy of respect, they shared their water and formed a lasting friendship.

Together they continued the quest for the Archons, finally finding the old ruins. The tumbled rock and broken roads of the ancient city were not entirely abandoned, however. Destiny had one final trial for them. As they explored the remains of the city they discovered a great hall. Wandering deep into it they saw before them a throne richly decorated with carvings of warriors in fierce battle. As they stood there marveling, a man stepped from behind the throne. He was dressed in armor matching the carvings and he raised a menacing sword. This was Salamander, the last remaining guardian of this once amazing city. He was left by the ancients to defend their treasures to the end. He launched into a ferocious attack. It took the skill of both heroes to defeat the great Salamander.

As the mighty warrior fell, a huge door at the rear of the hall slid back revealing two incredible weapons. Both carried an Archon, infused with primordial Elemental power. The sword held the Archon of Fire, the staff held the Archon of Earth. Moving forward each claimed one -- Nathan chose the sword and Walcure took the staff.

Their adventure finished, they knew it was time to return to their own people. As the battle brothers parted ways they lifted a ring from the fallen Salamander and split it between them as a reminder of their shared journey and newfound allegiance to each other.

Nathan earned a reputation as a righteous warrior and built a great castle on Chantra called Manas. Walcure came to be called the greatest magician in all of Orc history. Countless tales of their achievements were told for generations, and over time, even their weapons took on names of their own. Nathan's sword became known as Brumhart, while Walcure's staff acquired the name Galahon. But the most important event of their lives would happen six years later.

One night six years later, Nathan and Walcure were both awakened by an eerie sound -- a wailing cry only they could hear. It seemed to come from their magical weapons. Mystified, they both traveled to Serend to consult Gracia, a wise archer of the Moon elves. They arrived at the same time, and Gracia knew why they had come. Her own bow, Evengarda, contained two Archons and was also wailing. She explained that a magician called Cyrpus had gained an Archon of his own, and was calling the weapons -- trying to unite all the powers of the Elementals in one person. Trying to become an ArchLord.

With all five Archons, Cyrpus would be nearly invincible, and the three heroes knew that one person could not be trusted with such enormous powers. Nathan, Walcure and Gracia banded together to find Cyrpus and defeat him. At last they confronted him and a battle ensued in the same ancient, desert ruins where Walcure and Nathan had gained their Archons. All three fought tirelessly, but finally it was the Moon elf Gracia who took down Cyrpus with her bow. It cost her a deep wound from his magic, but the heroes triumphed. They had no respect for the power--hungry magician, so they abandoned the body in the ruins, Gracia's arrows still piercing Cyrpus' chest. Afraid of being tempted by the power of five united Archons, the heroes decided to hide the one they gained from Cyrpus. At the time, a great city named Dulan was being constructed -- at its heart a mighty castle. Together they buried the final Archon under the castle's foundation stone and sealed it with magic.

The secret of its resting place was never revealed, but Nathan had witnessed the full extent of the power of the Archon, and he became cautious of the Archon inside Brumhart. He asked the Noum to craft a magical scabbard, which would seal in the power of the sword as long as it was sheathed. From then on, he drew his weapon only when absolutely necessary, and strong cautions were handed down as the sword passed on through generations of his descendants.

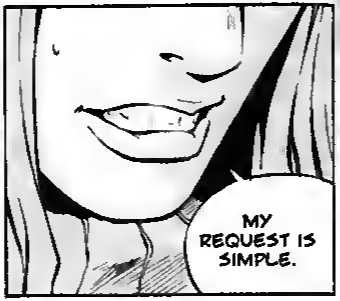
YOU HUMANS CALL IT BRUMHART.
YOUR MAJESTY, BEWARE!



MY REQUEST IS SIMPLE.

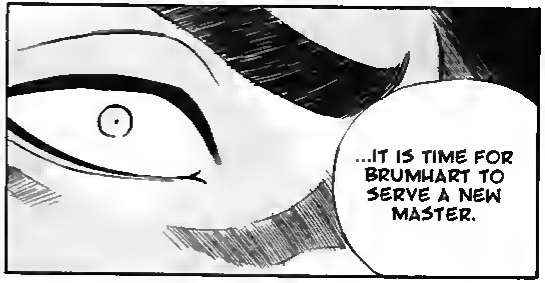
OUR ANCESTORS DID CRAFT THIS SHEATH, BUT...

THE MANAS LINE HAS ENDED, EXCELLENT KING FOR THE GOOD OF ALL...
...THE SIGIL MUST BE MELTED..THE RUNES REWRITTEN. YOU MUST KNOW A WAY.



...IT IS TIME FOR BRUMHART TO SERVE A NEW MASTER.

THERE IS ONLY ONE WAY-- TO WALK THE PATH OF NATHAN MANAS BEFORE YOU.
IT IS A DEADLY CEREMONY. YOU MUST SUFFER AN AUDIENCE WITH RUME TRAVAL HIMSELF, AND RECEIVE THE MASTER'S ACKNOWLEDGEMENT.
TAKE ME TO HIM... PLEASE.
THIS IS NO LIGHT REQUEST! I WARN YOU!
YOU WILL LIKELY LOSE YOUR LIFE.
I'VE FACED DEATH ALREADY TO COME HERE.
I CAN FACE IT AGAIN!

FOLLOW ME, THEN.
I WILL GUIDE YOU.
YOUR MAJESTY!
IF ANYTHING HAPPENS TO ME...

AS A PRE-CAUTION...
...I SENT FOR MORE MEN BEFORE WE CLIMBED THE MOUNTAIN.
MORE MEN?
OF COURSE...
YOU DIDN'T CALL FOR NAEL... DID YOU?!

MAJESTY! DO YOU TRULY MEAN TO GUIDE THEM INTO OUR CAVE LIKE THIS?
THE HUMANS ARE NOT TRUSTWORTHY! ESPECIALLY THE ONE WITH WOMAN'S HAIR, HE WHO CARRIES RUME TRAVAL'S SWORD.
HAD I REFUSED...

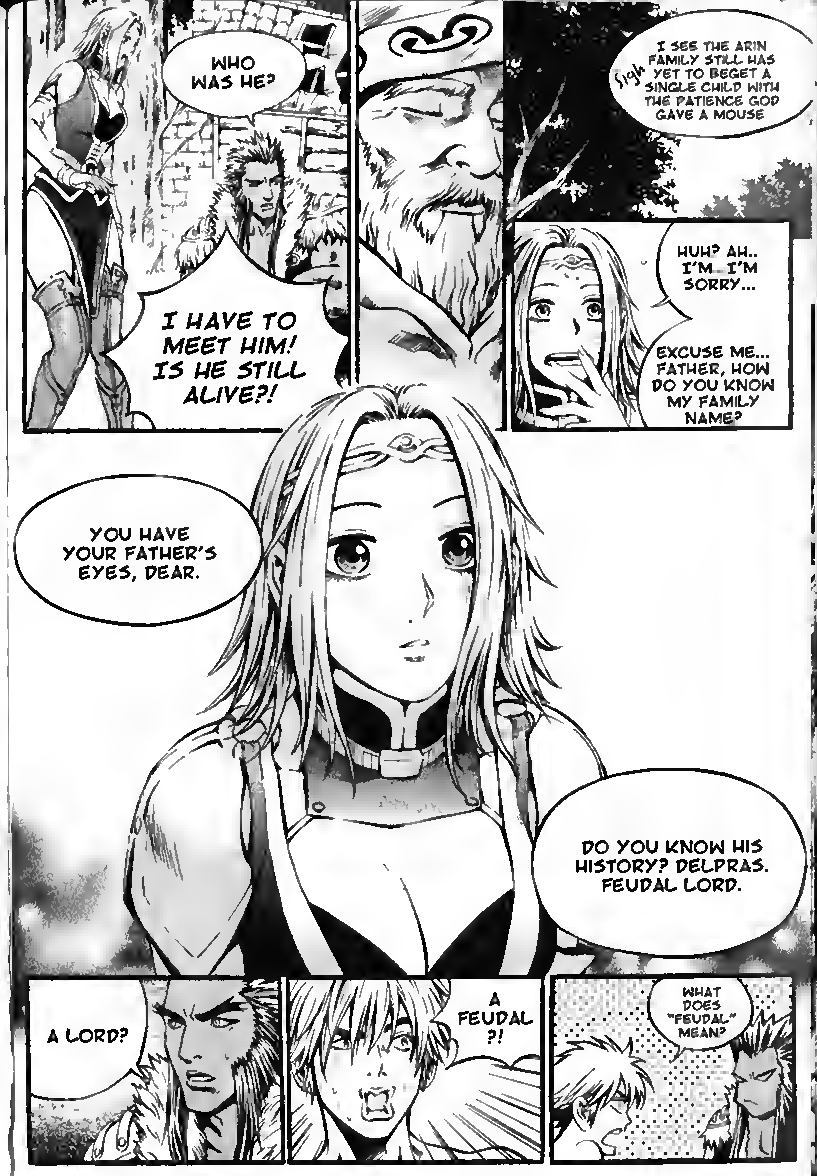
WHAT IS?
IN TIME OUT OF MEMORY, THE FIVE SPIRITS SHAPED CHANTRA, IN ALL ITS TERRIBLE GLORY.
THE ELEMENTAL SPIRIT OF THE FIRE ARCHON NOW COURSES WITHIN BRUMHART. IT IS ONE OF THE GREAT RELICS OF POWER.
WAIT, FATHER KENNETH!
SINCE THERE ARE FIVE ELEMENTAL SPIRITS, DOES THAT MEAN THERE ARE FOUR OTHER RELICS OF POWER?!
.....
THAT'S NOT FOR ME TO TELL YOU. NOW, AS I WAS SAYING, LONG AGO, WHEN THE PROPHET TOLD ME OF BRUMHART--



WHO WAS HE?
I HAVE TO MEET HIM! IS HE STILL ALIVE?!
I SEE THE ARIN FAMILY STILL HAS YET TO BEGET A SINGLE CHILD WITH THE PATIENCE GOD GAVE A MOUSE
Sigh

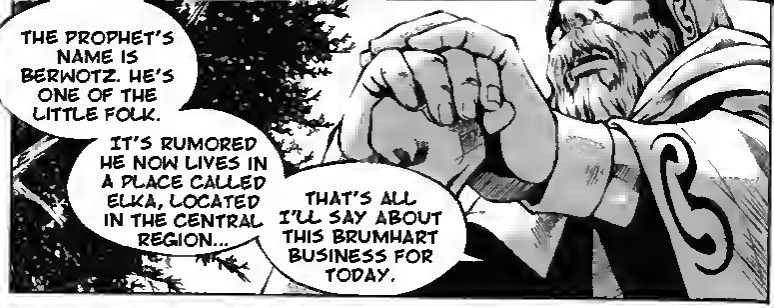
WHAT DOES "FEUDAL" MEAN?



THE PROPHET'S NAME IS BERWOTZ. HE'S ONE OF THE LITTLE FOLK.
IT'S RUMORED HE NOW LIVES IN A PLACE CALLED ELKA, LOCATED IN THE CENTRAL REGION...
THAT'S ALL I'LL SAY ABOUT THIS BRUMHART BUSINESS FOR TODAY.

HGHH...
